Although the abovementioned is the current level of turnover and is closely related to the economic indicators, it may be more or less in future. Consequently, this letter does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise this letter is valid only for contracts with a single value of less than or equal to R10 million. Should the contract value being tendered for be higher than R10 million and less than R50 million, the EME will be required to submit a QSE Verification Certificate with any tender. For contracts over R50 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

The information above was obtained by means of a sworn affidavit as required by the Amended Codes of Good Practice as gazetted on 11 October 2013 and company registration documents to confirm shareholders interest as registered with CIPC. Based on this information I confirm that the measured entity qualifies as a **LEVEL 2** Broad-Based Black Economic Empowerment contributor in terms of the requirements of the **Amended Codes of Good Practice as gazetted on 11 October 2013**.
